Comments: Alaskan resident for 6 yrs and access to incredible areas with motorized vehicles (or aid from) is the primary reason I live here. I only make one trip down to ride Whittier and turn again pass on a snowmobile to meet up with friends ive met through snowmobiling who live there and recreate frequently there. Even with the good natured spirits of the motorized community restrictions have already made our sports difficult to fully enjoy. Any further restrictions would deeply impact the close community of motor sport enthusiasts who along with using the land for leisure also put efforts in to maintaining recreational areas
