

Data Submitted (UTC 11): 10/24/2018 4:46:06 AM

First name: John

Last name: Fucina

Organization:

Title:

Comments: Please do not close ANY more Alaska Land to Motorized Use.

Citizens more than ever are now using Alaska Lands for recreational purposes.

Limiting access will not help or solve any environmental issues in the region.

Wildlife is not impacted by any type of recreational use in Alaska

There is so much more of Alaska to see than from the Road or Highway!

Keep Alaska for future generations to enjoy!
