Comments: Dear project official,

Alternative D recommends the maximum amount of land for Wilderness of any of the Alternatives (97 percent of the WSA, or 1.884 million acres). I support a modified Alternative D wilderness recommendation that also includes Lake Nellie Juan and the lands within the WSA boundary that were purchased for restoration of wilderness resources following the oil spill.

Please secure maximum protections to the "wilderness character" for the Chugach National Forest (NF) in Alaska.

Thank you. You are doing this for the health of your grandchildren and our planet at large.

Shawn Johnson:)
