First name: Karl

Last name: Van Buskirk

Organization:

Title:

Comments: The Chigach needs to be open to all users.

Though road accessible the off road areas are hard to access due to difficult terrain and deep snow cover.

Mechanized travel gives more people more access to all of the area.

I am an avid back country skier and snowmachiner.

We all need to be respectful of others and the area but the area needs to be open to all users:
