

Data Submitted (UTC 11): 10/24/2018 9:24:15 PM

First name: William

Last name: Albright

Organization:

Title:

Comments: I am a life-long Alaskan - now serving on Active Duty for the United States Coast Guard. We protect our country, and I would like to protect the land that we already have access to, both motorized and non-motorized. Please keep what we already have and do not make any drastic changes that have unknown and unstudied consequences down the line, and for futures to come.
