Comments: Dear Decision Maker: Just remember this: the Current Fascist/Racist/Anti-Life/Anti-Environment "Administration" will not be in power long. YOU must do what is right by the People, the Wilderness, and the Earth Environment. If you are called to task by some higher-up Trump loyalist, tell them to "shove it" because you have a job to do. Don't allow the current Reign of Idiocy destroy our world. Thank you.
