Comments: RE: Wynoochee Restoration and Road Management Project #53124

Thank you for this opportunity to comment on the above proposed project.

I respectfully ask that the Wynoochee Lake Trail and access to it be preserved. Sadly, I have watched too many hiking gems disappear over the years for various reasons, some of them with overall beneficial intent, some not. However, I've noticed that once access closes, it's years, if ever, until it reopens. At this rate, what will be left for those of us who choose to live here because we want to be close to what Mother Nature has to offer to enjoy?
