Comments: RE: Wynoochee Restoration and Road Management Project #53124

Thank you for giving us all an opportunity to express our comments.

I ask that the Wynoochee Lake Trail and access to it be preserved, a beautiful trail my wife and I only recently discovered. And yet another we may watch disappear. Over the years, there have been too many to count. Once access to a trail closes, it doesn't seem to reopen again. This has been my experience. Let's please preserve what little we have left for all, including the wildlife, to enjoy.
