I live in Wasilla and have for 28 years. I have been riding snowmachines in the Chugach for 15 years. I ride there multiple times per year. As a motorized user, I oppose losing any right to motorized access of these public lands. A large majority of the Chugach is already restricted to non-motorized use, and what's left should remain intact. I usually ride in, Whittier, Turnagain, Skookum, Lost Lake, Summit Lake, and Resurrection Pass.
