Comments: I do not accept the use of further shutdown of Alaska Wilderness. I also strongly urge that Commenting only be taken seriously by TRUE ALASKAN RESIDENTS. After spending 10 minutes reading the negative comments pro-wilderness from people all over the eastern United States, it goes to show that a BOT system has been put in Place.

I am a Born and Raised Alaskan and we Respect the wilderness and Enjoy Snowmachining. Most of these commentors I guarantee could never Identify where Nellie Juan or the Snow river is actually located I guarantee they couldnt tell you whether is was in Kenai or Between Moose Pass and Seward.

I DO NOT SUPPORT THE FURTHER SHUTDOWN OF THE NATIONAL FOREST THAT I PAY TO USE AND PROTECT WHILE ENJOYING THE GREAT OUTDOORS ON MY SNOWMACHINE!
