First name: Jesse

Last name: Combs

Organization: Advocates for Multi-Use of Public Lands

Title: President

Comments: To whom it may concern:

My name is Jesse Combs and I'm the President and board member of Advocates of Multi-Use of Public Lands. We are a grassroots organization focused on the preservation of access to public lands for mechanized and motorized recreation which includes but is not limited to Mountain biking, Snowmobiling, Dirtbiking and Heli-Skiing. The rights of motorized and mechanized user groups have diminished since The National Forest Service initiated the Forest Land Management Plan in 2002 and it must stop. Please consider leaving the current access in place and work toward opening more areas for current and future generations. Public lands should be managed for the benefit of all recreational users as these lands belong to all of the american public.

Sincerely,

Jesse Combs
