Comments: My name is Taylor Jackson and I've lived in Alaska my whole life. I'm a very passionate mountain biker. My favorite trails are in the chugach park. Alaska is a massive state that should not be looking into banning anymore trails from biking and motorized use. There's already more than enough of that. I prefer plan A. Taking away biking trails in the Cooper landing, turnagain pass and Seward area would be a horrible mistake and it's utterly pointless.
