First name: Andrew

Last name: Roche

Organization:

Title:

Comments: My name is Andrew Roche and I am a born and raised Alaskan. I spent a lot of time recreating in the Chugach growing up and continue to do so. I bike, hike, ski, and snowmachine. I have many fond memories of these areas and plan to create similar memories with my children.

I have reviewed the Draft Alternative maps. The proposed maps suggest a reduction of motorized access and I strongly oppose this. Motorized backcountry access is embedded into my culture and should be with my children.
