Comments: I was born and raised in Alaska and have always ridden in the Chugach my whole life growing up I have so many memories that have been made there riding with friends and family I am for plan A and do not wish to see our current riding areas restricted in any way I have always been respectful and responsible in my motorized use while riding at Turnagain and Lost Lake and definitely wish to continue to be able to ride these areas and others as well as for my children and future generations to come
