Comments: To whom it may concern,

First, thank you for allowing us to be involved with the Chugach Forest Plan Revision #40816. I know that this task takes time and a lot of work. Moving forward into the Chugach Forest Plan Revision plan I ask you to opt for Option B. I currently am a resident of Wyoming but have spent a lot of my childhood in the great state of Alaska. We are an over the snow motorized family and do travel for recreation. I hope someday I am able to bring my family that way and share the experiences I had as a child. It's so important for us to be able to make new memories and have access to these wonderful areas. Not only do we and others that might travel that way appreciate and respect our lands, but we are supporting the local economy when we do. Thank you for taking the time to read my comment and ask that you move forward with Option B in your plan.

Sincerely,

Jessica Carter
