Comments: Good morning,

I would like to request that plan A be implemented as I enjoy riding in as much of our beautiful national park as possible. There is nothing more freeing than taking a snowmachine or a dirt bike out as far back as possible into the mountains just to enjoy all the beauty that Alaska has to offer. It is my belief that if either plans C or D are implemented, you will be restricting that freedom to a large number of people which is not the right thing to do. I hope this comment finds you well and that you take into consideration the large number of good people that would be getting shut out of the Chugach if either plans C or D are implemented. Vote A!

Thank you,

Ben
