Comments: I oppose anyone trying to shut down any land in Alaska. Especially outsiders. We live in this great state to get away from the unreasonable rules and guidelines you all set in the states. We love our back country and we take care of it. I pay a crap load of taxes and most of my hard earn money goes to things I do not support. All I want is to be left alone to enjoy Gods gift and recreate in the back country I love. These groups need to stay out of Alaska and quit trying to take a way my freedom!! This is the Last Frontier for a reason and at times it is hard living all we have is to enjoy Alaska to make It worth the lifestyle we love. Please go away and stay out of Alaska your not welcome here.

Thank you

Brian Dennis
