Comments: I have been snowmachining in the chugach mountains for over 25 years and I would hate to see any of the trails shut down. I have friends who have a cabin in the hope area up resurrection pass and it is already an inconvenience only having access to the cabins every other year by snowmachine. I am tired of seeing the other side trying to shut these areas down. I believe we can work together to use these trails by both snowmachine and hiking or skiing. Please leave the trails we have access alone.
