First name: William

Last name: Hubler

Organization:

Title:

Comments: I'm a life long Alaskan, born and raised in Alaska. I enjoy a variety of outdoor activities in Alaska and Chugach National Forest. I support option B of the revised motorized plan. I hope you way more heavily on comments from folks who live in Alaska and access Chugach National Forest. Please consider leaving the current access in place and work toward opening more areas for future generations.

Thank you,

Will
