Comments: I oppose new regulations being set for the Chugach National Forest. I have been using the CNF for the last 20 years to recreate in. Typically I snowmachine but also hike and hunt in the Lost Lake, Portage Valley, Turnagain Pass, Johnson Pass and other areas. The motorized users by enlarge have improved trails for non motorized users and created safe routes to access more of our vast backcountry. We need to work together cohesively in order to keep our wilderness open for all parties while maintaining its natural beauty.
