Title:

Comments: To whom it may concern,

I am able avid outdoorsman, I ski, hike, snowmobile, etc. I have visited the Chugach a few times to ski and ride snowmobiles in the backcountry. I plan on future trips to the area, but I won't if the area is closed to motorized use. Please keep this land open to all users.

Closure isn't management.

Thank you for your time and consideration.

Jake
