Comments: My first ride ever was in the Chugach Mountains! I was a city slicker from Los Angeles when I moved to AK and live with one of the Locals. It changed my life. I left the Oil Industry moved high to the Colorado Rockies and have worked to protect the environment ever since.

for a guy like me, Snowmobiling in the Chugach changed my life from an oil kingpin, to an environmentalist.

Same as a Zoo is to children, experiencing such beauty and adventure in the Chugach has lead to better oil drilling practices, more human work environments, and learning to spread this knowledge to the rest of the world.
