Comments: To whom it may concern,

My name is Ben and Im an avid snowmobiler from NH writing to make a plea not to close this land down. Ive been riding my entire life and look forward to yearly trips into lands like these. I believe our sport is a great way to stimulate local economy that would not exist during certain parts of the year. I hope that I can show my son the beauty this country has to offer in a unique and breathtaking way. I do believe in respecting our natural resources and believe that continued public education is vital to allow conitnued use of these lands.
