Title:

Comments: I was born and raised in Alaska. Big Lake, specifically. I now live in Anchorage and recreate in the CNF often. I really enjoy snowmachining and photography. The areas I ride most often are Turnagain, Spencer Glacier, Placer Valley, & Johnsons pass. I am looking forward to exploring Whittier and Lost Lake more in the future.

I have had the opportunity to take many first time users to the CNF and they were blown away with its beauty. It makes me very happy to I dream of the day that I will be able to bring my kids along and show them all the beautiful places within the CNF.

With that said, I do not support losing any more acres for motorized recreation in the CNF. Option C and D are unacceptable. Please do not limit anymore access to the CNF for any user.

Thank you.

Jonathan Tymick
