First name: Jed

Last name: Struempfer

Organization:

Title:

Comments: Hello, my name is Jed and I am a life long Alaskan. The thought of areas getting closed down to moterized vehicles is in real. Like I have read in other comments non moterized users don't go much farther then 3 miles. If they do they are follow some sort of moterized trail. Please leave places open for me to take my to daughter out and enjoy this beautiful state we live in.

Thank you. Jed.
