Comments: To whom it may concern

Thank you for taking the time to read this. I live anchorage and have for 46 years. The amount of time I have spent in the CNF is incalculable. Some of that time has been spent on the back of a snowmachine. I believe that considering the size and space in the CNF there is space for every one and everything. Please do not take motorized vehicles out of the forest.

Thank you John Oldford'.
