Comments: I'm a local snowmobile enthusiast that's been riding sleds for as long as I can remember and some of my best memories have come from my adventures while riding. I've grown up in the state born and raised in Palmer but have always loved the ability to travel south and ride Turnagain Pass, Johnson Pass, Placer and Lost Lake. I strongly support Option B so I can continue to do what I love and let my children grow up with the same experiences I've had in this amazing state. Snowmobiles allow such unique access to locations that many times could never be reach and allow people to explore parts Chugach that would become unknown to many of our upcoming youth.
