Comments: I would like to see nothing changed to the forest plan. In the best interest of those who enjoy the winter activities there shouldn't be any change. The sledding community is a strong and respectful community. Action plan B is what I would like to see

I enjoy being able to get out and explore Alaska for what it has to offer and that is via offroad. The incredible terrain that can be accessed via snowmachine is absolutely amazing and I would like to be able to have my kids enjoy Alaska the same way I did growing up.

Thank you
