Comments: Hello Thank you for the opportunity to comment an including the using group to be apart of the revision plan. I have been using the Chugach Forest for 6 years riding snowmachines. I oppose closing the motorized use areas. It is already tightly restricted. It needs to stay the way it has been for so many years. I have enjoyed riding Lost Lake along with so many others an would like future generations to use it with out anymore restrictions.

Thank you your time

Lucas
