Comments: My names brandy argo I'm 31 and I've been riding my entire life. I've rode a lot of places in Alaska including cantwell, Turnagain, hatcher's pass. I was born and raised up here and have a lot of good memories riding, I also raced sleds for 15 years. Riding is something I look forward to every winter. I do not agree with shutting down Alaska's back country areas.
