Comments: Hello, my name is Robert and I am opposed to further restrictions of motorized vehicle access. I have been a long time enthusiast of operating snowmachines in the Turnagain and Lost Lake areas of our state. The community of individuals who utilize these areas, and many others, have been law abiding and environmentally respectful people. I feel the current snow cover restrictions are sufficient and need no additional restrictions. Thanks and please stop taking away recreational areas such as this out of some mis-guided sense of superiority. No harm is being done.
