

Data Submitted (UTC 11): 10/26/2018 11:05:20 AM

First name: Mary Anne

Last name: Tokar

Organization:

Title:

Comments: You must follow through and maintain "in perpetuity for conservation and wilderness purposes" the lands within the WSA. The "primitive" designation is crucial for protection. The fact that this land was protected as a result of the oil spill should make it abundantly obvious that we need to KEEP it protected. Big business almost destroyed this environment. Don't bend. Stand strong. We are counting on you!
