Comments: I am born and raised in Alaska and have been riding in the CHUGACH and have always respected the regulations and always done my part to not leave any trash of any kind and to be respectful of skiers hikers and anybody else who is enjoying the wilderness. There are a lot of good people that are also enjoying these areas and doing the right things to preserve the land. Please consider keeping these areas open and accessible to myself and generations to come so they can also experience these beautiful areas. Thank you
