First name: Paul

Last name: Thacker

Organization:

Title:

Comments: As an avid outdoorsman I enjoy both motorized and non motorized hobbies. As a snowmachiner I feel that our group goes above and beyond responsible and typically leave a riding area in better condition than we found it. With sleds now running cleaner and quieter than ever before our environmental footprint is small bordering on non existent. I feel that any reduction in riding area will not only be detrimental to the pastime we love but to the local Alaskan businesses that support us.
