Comments: I have used the entire area continually over the last 45 years, by horseback, mountain bike , skis, snowmachine, and airplane.

There is no good reason to change the current use plan.

I have no problem sharing with motorized use when I am on skis or bike or foot.

I do have a problem with groups telling me I cannot use areas that I have spent my entire life using.

Any group.

The only answer is equal use for all, anything else is discriminatory.

If I had to pick a use plan it would be A.

Thanks

Shawn
