Comments: To Whom it may concern

My name is Josh DeTavernier. I have been riding snowmachines in the Chugiak Mountains for about 12 years and have always tried to do my part to keep things clean and safe. Lost lake and turnagain pass are my most frequent trips. Both seem to have a wide range of riders. I personally have always been respectful of all rules and other riders no matter what they are using. It is obvious that these areas are some of the best in the world and with my 3 boys starting to ride this winter I would love to be able to show them all the areas possibly, and teach them the rules and how to respect the land and fellow riders so we can keep them all accessible for everyone.
