Title:

Comments: As a born and raised life long Alaskan resident who uses all sort's of off road vehicles for rec,hunt,commute all around Alaska this plan to shut off Alaskan's from using the access to the Chugach forest is not very good for all of us Alaskans, as a Alaskan who works in the powersport industry you are now threatening my profession in this field, all sales would be down and I would be out of a job, Please consider this when time comes, and trust me all precautions are in place to keep our parks undisturbed and clean from human negligence, our snowmobile community has summer clean up rally's, we do our best to take care of our areas to prevent all this. thanks
