Title:

Comments: Hello my name is Brooke Sherbahn.

I'd like to start by saying that I support Alternative B Recreation Opportunity.

I am a wife, mother and life long Alaskan.

My family spends a lot of our time in these areas of recreation.

Over the past 5 years or so we have spent a good portion of our recreation time on the snow-x track and have created an entire new "family" for my kids.

When we are not on the snow-x track we are taking the kids out in the back country all over Alaska,(Placer, Turnagain, Lost Lakes, Petersvill, Eureka) doing our best to instill good values and pride in being able to ride and enjoy all of the areas that we did as kids, bringing up the next generation of Alaskan's to leave the lands just as were or better then when they arrived so that future generations will always be able to have the freedom that we do enjoy the back country.

Thank You
