Comments: I have lived in Alaska my whole life. Of that time 19 years of it has been riding backcountry in the Chugiak national forest. It has always been my favorite area in our state to ride. I spend countless weekends riding in all different areas of the forest. From Whittier, Johnson pass, all the way south to last lake and snug harbor areas. I've helped support local businesses in and around said areas. For this reason I'm strongly in support of plan B of the Chugiak national forest revision plan. And stand whole heartedly against plans C and D. Thank you
