Comments: Snowmobiling is the favorite winter activity of my family for the past 20 years. It is important to know that we are willing to share the land we snowmobile on with snowshoers and skiers and hunters. My husband had to rescue an exhausted cross country skier one year and refused to accept money for the rescue because it was the right thing to do. The land should be kept open to responsible users and penalties should be assessed to those not following the rules.
