First name: Tim

Last name: Clark

Organization:

Title:

Comments: I am. 38 yr old born and raised native Alaskan. I have rode my atv's and snow machines my whole life all across Alaska. I ask you not to shrink the areas we are allowed to ride in. Getting out and riding is a part of my life and my 3 children's lives. Please leave the motorized access areas the way they are and let us have a place to keep riding in the future.
