Comments: I am a long time Alaska resident. I have enjoyed recreating in the Chugach National forest for over 30 years. I enjoy hiking, skiing and snowmobile riding. I would like to be able to continue to do all of those things. I am confident that the park can accommodate all users, even the motorized ones. As I get older, I find that I have more physical limitations. Being able to access that backcountry via snowmobile allows me to continue to enjoy the backcountry that I otherwise would not be able to experience. Please try to accommodate all users. Thank you.
