Comments: Hi i am a life long Alaskan and i am writing to show my opposition of alternative plans C & D. my primary means of recreation in the winter months is snowmobiling. as such i travel around the state as much as i can to ride in all different areas. shutting down any areas in our state is unacceptable to me and the majority of my fellow Alaskans. we enjoy our snowmobiling and for many of us it is a way of life. there have been no events that have called for the restriction of motorized activities here or anywhere else in this state. shutting down this area would negatively effect our states citizens and economy. please take into account the opinions from us Alaskans and not those of people from outside our state. thanks
