Comments: Hi. I have lived in Alaska for 8 years now and have immensely enjoyed the landscape this beautiful state has to offer. That is the reason I still live here. I regularly play in the backcountry, whether it be long hiking trips, biking trips, skiing trips, snowmachining trips, hunting trips, etc...All the places that are proposed to be taken away from us are all places I enjoy and want to KEEP using. If this is shut down, it's not only bad for the people who take advantage of these amazing areas, but it is also bad for MANY local business' that make a living off selling things to be used in this area. Please don't shut down access to these places!
