Comments: I would like to maintain all motorized access to PWS and CNF that is currently in place. I live on PWS and am a boat owner. CNF is in my backyard and I regularly access this awesome place with snow machines and ATV's. I spent over 100 nights at anchor the last 3 years exploring and hiking around PWS with my family and friends. Limiting access to these areas would greatly diminish the quality and way of life for the people that live here.
