Comments: To whom it may concern my name is Ben Sherbahn the III Husband Father small business owner and a born and raised life long Alaskan . My business being Alaska Snowmobile Salvage who's employees and their families depend on the business generated by our customers being able to recreate in these areas .I have alot of great memories riding in these areas growing up as a kid . I feel like i've barley scached the surface on showing my children all of the awesome back country in these areas. my youngest is only 2 years old . She may never see it . Hopefully there is enough of us out there that feel the same way because i would like for the experience for my grandchildren to be more than pictures and stories . Thankyou for taking the time to read this
