Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a kayaker who has found joy and healing on and around our rivers. This is a precious resource for us all and left unprotected, is frighteningly unlikely to survive.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

This action helps ensure this precious wild and scenic area will be preserved and protected in a thoughtful way.

Thank you for considering these comments.

Sincerely,

Marilyn Freedberg
