Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Catherine Belme and I live in northern Idaho. Just last weekend I hiked along the Lochsa and Selway with my family. We love getting out and experiencing wild nature as often as possible. I am planning a rafting trip along the Lochsa next summer, and we are hoping to get a kayak or SUP board soon to further enjoy recreating on these waters. I loved being out in the Selway-Bitterroot Wilderness because all you can hear is the water rushing downstream.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Catherine Belme
