Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

As a frequent visitor to Idaho, (my daughter lives in Sandpoint), and a frequent paddler, fisherman, rv camper and hunter in central and eastern Idaho, I want to voice my concern for long term protection.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

[INSERT any specific opinions you have that support continued protection of any specific streams listed in the Draft Suitability Report]

Thank you for considering these comments.

Sincerely,

Mitchell Gregoire
