Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Sam wells I live in Boise Idaho. I love Idaho and it's rivers. I spend literally all of my free time on idaho's rivers. The lochsa is one the most Beautiful rivers I have ever paddled and the is the most beautiful river I have ever paddled.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I don't want this to be a political statement but please think of up coming generations. Once a wilderness is developed it is forever changed. Please allow future generations to see Idaho as it is. Clear rivers and wild.

Thank you for considering these comments.

Sincerely,

Sam Wells
